The Dangerous Game tells us of modern day, true-to-life actual encounters with

dangerous animals in Africa, North America, and Asia. As he says, when a tracker in Mozambique gets tossed into a thorn tree by an enraged buffalo, this is sensational however you tell it. The simple truth is often more sensational than anything we can construct with words. Perhaps we'll find that the most dangerous beast isn't an African lion, Cape buffalo, elephant, or grizzly, but rather a thoughtless moment or just plain bad luck.
