A grandmother's life is full of wonderful memories and wisdom - and passing her story down to loved ones makes for a cherished gift. All About My Grandmother asks grandmothers all the fun, loving, and insightful personal questions that help them create a one-of-a-kind keepsake for their grandchildren. What is the most exciting thing you've ever done? How did you meet Grandpa? How is the world different now than when you were young? Questions on topics such as childhood, family, friends, milestones, travel, world events, favorites, and more help grandmothers create a

treasured record of their lives, hopes, and memories.
