In this crime drama, set in Bergen, Norway, detective Varg Veum's adventures take him into a dark world of privileged citizens who have been drawn into cross-dressing, drugs, and prostitution. When the local judge is discovered dead and clad only in women's lingerie in a luxury hotel, Varg is called in to explain the judge's death. Soon, when a teenage girl suddenly goes missing and her parents ask that he find her, Varg finds that all of the clues lead him deeper into Bergen's criminal underworld.
