What's the secret to getting a fabulous psychic reading? Who better to ask than a professional psychic? Sassy, candid, and spot-on, Lisa Barretta's insider advice will bring you closer to the answers you seek. Half the battle is choosing a psychic. Learn how to avoid charlatans and select wisely among astrologers, mediums, tarot readers, psychic phone line services, and others. True stories from Barretta's thirty-year career as a psychic will have you laughing as you learn what to do - and not do - to build a productive rapport with your reader. Maybe you'll even recognize yourself in her entertaining descriptions of 'seeker types', such as the all-too-common 'psychic junkie'. This unique guide also explores the fascinating life of a psychic, the pros and cons of psychic hotlines, and seeker/psychic etiquette.
