出版时间:2009-10-01

装帧:Hardcover

isbn:9781423604938

One of the most widely read books on European architecture, Nikolaus Pevsner's landmark work was first published in 1942. Through several revisions and updates during Pevsner's lifetime, it continued to be a seminal essay on the subject, and even

after his death, it remains as stimulating as it was back in the mid-twentieth century.
