Once readers visit the charming village of Acorn Hill, they'll never want to leave. Three sisters -- Louise, a widow from Philadelphia; Alice, an unmarried nurse who lived with her father; and Jane, a divorced chef from San Francisco -- reunite in the sleepy town after their father's death and turn the family home into a charming bed-and-breakfast. Here the sisters rekindle old memories, rediscover their childhood bonds, revel in the blessings of friendship, and meet fascinating guests along the way. "Home for the Holidays", a new Christmas instalment in the best-selling series (over a million copies sold), takes readers back to Acorn Hill and the characters they have grown to love. The Christmas spirit is settling over Acorn Hill, and the town is gearing up for a holiday house tour to showcase Acorn Hill's finest homes all decked out in wreathes and bows. But an unpleasant group of tourists is doing anything but making the season bright, and a stranded group of travellers shows up at the inn on Christmas Eve, seeking shelter from the storm and throwing off the sisters' plans for a quiet Christmas together. Through it all, the Howard sisters show their special blend of hospitality with their guests, who discover the importance of family and friendship -- and the true meaning of Christmas.
