This casebook provides the tools for the study of the law of securities regulation. This

edition has been extensively revised and reorganized. Topics covered include the Sarbanes-Oxley Act, the competitiveness of the U.S. capital markets, and the affect of globalization on the world's security markets. It includes a new chapter on shareholder voting and updated coverage of SEC enforcement actions and criminal liability, as well as state securities law, international issues, and the regulation of investment companies.
