Build a magical menagerie with these 20 different animal sculptures in a unique new format. Simply pop out the pieces and fit the matching slots together - no scissors or glue needed! Colorful and durable, these charming sculptures include a fun range of animals - a hippo, octopus, bear, kangaroo, and more - and are perfect for playing or displaying on your desk, in the nursery, or anywhere that could use an animal friend! These adorable creatures come in a keepsake box complete with envelopes for storage purposes or mailing to friends.
