In this salient critique of the American media, veteran journalist Tom Fenton exposes the dangerous failings of our news organizations and the fundamental problems with how they present world news. "Junk News" is a stirring call to reform the faltering "fourth estate" and to take the blinders off our citizens for the sake of our security. Tom Fenton is a four-time Emmy Awardwinning journalist and was the senior foreign correspondent for CBS News. He is the author of "Bad News: The Decline of Reporting, the Business of News, and the Danger to Us All." He currently works as a BBC commentator.
