"Any actor who is serious about his or her career should read this book"--Matthew Stillman, producer of Casino Royale, Wanted, and The Chronicles of Narnia: Prince Caspian A practical workbook written from a casting director's point of view, Secrets from the Casting Couch teaches actors the craft of film casting in front of camera. It shows how actors can work with today's Internet technologies to get cast and features advice and actual exercises that actors can apply to achieve results in the casting studio. Emmy Award-winning casting director Nancy Bishop has developed a successful approach through many years of experience working in the casting studio and runs internationally recognized master classes.
