Brand-new stories by: Dennis Lehane, Stewart O'Nan, Patricia Powell, John Dufresne, Lynne Heitman, Don Lee, Russ Aborn, Itabari Njeri, Jim Fusilli, Brendan DuBois, and Dana Cameron. Dennis Lehane (*Mystic River*, *The Given Day*) has proven himself to be a master of both crime fiction and literary fiction. Here, he extends his literary prowess to that of master curator. In keeping with the Akashic Noir series tradition, each story in *Boston Noir* is set in a different neighborhood of the city--the impressively diverse collection extends from Roxbury to Cambridge, from Southie to the Boston Harbor, and all stops in between. Lehane's own contribution--the longest story in the volume--is set in his beloved home neighborhood of Dorchester and showcases his

phenomenal ability to grip the heart, soul, and throat of the reader. In 2003, Lehane's novel *Mystic River* was adapted into film and quickly garnered six Academy Award nominations (with Sean Penn and Tim Robbins each winning Academy Awards). *Boston Noir* launches in November 2009 just as *Shutter Island*, the film based on Lehane's best-selling 2003 novel of the same title, hits the big screen. Dennis Lehane is the author of *The New York Times* bestseller *Mystic River* (also an Academy Award-winning major motion picture); *Prayers for Rain*; *Gone, Baby, Gone* (also a major motion picture); *Sacred*; *Darkness, Take My Hand*; *A Drink Before the War*, which won the Shamus Award for Best First Novel; and, most recently, *The Given Day*. A native of Dorchester, Massachusetts, he splits his time between the Boston area and Florida.

评论

What you get from an anthology: some are ok, some are mediocre, some are unbearably boring.

大概有4/5篇是非常棒的Noir小说，除了Lehane自己的Animal Rescue，还有Femme Sole, The Cross-eyed Bear, The Oriental Hair Poet等是比较出彩的小说，其他都比较一般。The Collar最垃圾没有之一...过几天读Boston Noir 2，对内容很是期待呀>
