This updated award winning book labeled "a 'must read' for every young woman in America" by Tanya Brown, sister of Nicole Brown-Simpson, is a book like no other. This book is not meant to scare its readers, but to give young women the information necessary to avoid situations that could lead to rape or sexual assault. Grand Award Winner in Writing Excellence, the book is a quick, yet thorough guide, through situations that many people have no idea can even lead to sexual assaults. Much of the information found in this book exists nowhere else. From online activities, to dating, to moving-in to a new residence, to safety while driving, Keep Your Daughter Safe covers viturally every aspect of how young women can avoid becoming victims of rape, sexual assault and other violent crimes. Purchase 2 - - one for your daughter and one for the daughter of a friend, family member or co-worker.
