Take the TExES and Start Teaching High School Math New TestWare CD Edition REA's new Texas TExES test prep with CD was designed to help teacher candidates in Texas pass the TExES 135 Mathematics exam and start teaching Our test prep is perfect for

students, out-of-state teachers, and career-changing professionals who are looking to become a Texas High School (Grades 8-12) Mathematics teacher. The book is completely aligned with the most recent TExES 135 exam and targets exactly what teacher candidates need to know to excel on the test. A comprehensive review guides prospective high school teachers through all the content topics tested on the TExES, including: Number Concepts, Patterns and Algebra, Geometry and Measurement, Probability and Statistics, Mathematical Processes and Perspectives, Mathematical Learning, Instruction, and Assessment. This enhanced TestWare edition includes the book's two full-length practice tests on CD with automatic, instant scoring, and onscreen detailed explanations of answers. Our timed, computerized exam format gives test-takers the closest experience to taking the actual exam. Teacher candidates can identify their strengths and weaknesses while reinforcing their skills and testing their teaching knowledge. Book comes complete with a customized study schedule and REA's test-taking strategies and tips. This book is a must for anyone seeking certification as a Math teacher in Texas "REA books and software have proven to be the extra support teacher candidates need to pass their challenging test for state licensure. Our comprehensive test preps are teacher-recommended and written by educators who have mastered the test and the related program of study. "
