Aloe isn't medicine, and yet...it Cures" is just another text along the lines of the first book written by Father Romano zago, "Cancer Can Be Cured" that includes "The Scientific Monographic History of Aloe Vera and Aloe Arborescens" which in the last few years has recieved much acclaim in the field of alternative medicine in Europe. This time the author presents the curative properties of Aloe and indicates, in simple practice, how to use this plant in curing over 100 types of illnesses including obesity and depression.
