This funky carton contains 3 books packed with delicious juices and smoothies, all in an innovative package. Containing a huge collection of over 200 quick and tasty juices and smoothies, each recipe's ingredients provide essential nutrients needed to help

maintain your health and vitality. From energy-boosting juices such as Celery, Tomato and red Peppers, to the more exotic, vitamin-packed Mango, Orange, Cranberry and Honey, there's something here for everyone. Bursting with delicious recipes and arranged into three recipe-specific books so that you can select the right Fruity, Veggie or Smoothie recipes whenever you want them, the "Juice Collection" is a cute but crucial addition to any kitchen.
