Abraham Maslow's forgotten discovery expanded, clarified, and presented in a dynamic new program. The Lost "Secret" of the top one percent of achievers: "What constituted the big difference for self-actualizing people was that their activity became a channel or medium for expressing the eternal, ultimate values--the true, the good, the beautiful, the just...I had found men and women in everyday life who were embracing, actually living, these ultimate values." A. H. Maslow, Future Visions, The Unpublished Papers of Abraham Maslow. FOR THE FIRST TIME, The MetaValues Breakthrough makes the elusive process of Self-Actualization an experience-able, living reality for the "average" reader.
