In *On the Money*, fans can revel in over 350 of *The New Yorker's* best cartoons on the theme of money, culled from the past 80+ years. From bossy businessmen to crooked creditors to slighted stockholders, no one in the financial world has escaped humorously critical jabs from the master of cartoon humour. The collection is edited

by The New Yorker's cartoon editor, Robert Mankoff, and includes an introduction by Malcolm Gladwell best-selling author of The Tipping Point, Blink and Outliers
