He'd seduced Alexis Cavanaugh once...on his brother's behalf. So when the powerful Texan's sibling shockingly married someone else, it was up to Wyatt to wed the jilted heiress. After all, he and Alexis "had" shared a very real night of passion. But Alexis was done being manipulated. She would have a marriage on her terms, or not at all. Except staying away from Wyatt was not an option. She was carrying the oilman's baby...and she would not reveal her secret until she had the billionaire exactly where she wanted him.
