Introducing Story Vision -- an innovative new format that brings children's favorite books to life The package includes the classic title The Monster at the End of This Book, starring everyone's favorite Sesame Street resident -- Grover As well as the original book, there is a DVD in a special pop-out tray. The read-along DVD brings the

pages of the book to life with special animation and voice-over. Children can enjoy this set in any number of ways -- they can read the book on its own, or watch the DVD by itself, or they can enjoy both together. Perfect for at home or in the car.
