As a follow-up to her best-seller, *The Princess and the Kiss*, Jennie Bishop penned *The Squire and the Scroll* with young boys in mind. Kids will gain valuable insight as they learn, with the young squire, what it means to face the dangers of temptation and what it takes to guard their hearts from all that is impure. Ride along with the squire as he travels the long dangerous road with his knight. The adventure builds until the final face-off with the monstrous dragon reveals the secret that has the power to save the entire kingdom.
