"If you're a Kangaroo through and through, Just do what Kangaroos do." Young Sue really doesn't like being a kangaroo, so she goes off to find something better. First she tries climbing the trees like a koala, but that doesn't work. Then she wades into the sea

like a platypus, but that's no good either. Finally, Sue joins up with some bouncy, jouncy wallabies...and discovers that being a kangaroo isn't so bad, after all.Using a jaunty waltz rhythm, actor, comedian, and best-selling author John Lithgow reassures children that they can be happy with who they are.For listening or singing along, a CD of a John Lithgow performance of "Marsupial Sue" and an instrumental version is included with this book, as is the score of the song.
