Since 1972, The Robert Wood Johnson Foundation has been the nation's largest philanthropy devoted exclusively to health. Their premier annual review of public health and health care research, *To Improve Health and Health Care* Vol. XIII: The Robert Wood Johnson Foundation Anthology focuses on the pressing health and health care issues facing our country. As part of the Foundation's efforts to inform the public, this volume provides an in-depth look into the programs it funds. The series offers leaders educators, policy makers, and practitioners with valuable lessons for years to come.
