He’ s Hollywood’ s most dazzling star, inspiring the worship of millions and the hatred of one twisted soul. His perfectly ordered existence is under siege as a series of terrifying “messages” penetrates the security of his legendary estate. All that stands between him and an insidious killer is a weary ex-cop who has already seen his own death.

Enter a world of marvelous invention, enchantment, and implacable intent, populated by murderous actors and the walking dead, hit men and heroes, long-buried dreams and never-dying hope. Dean Koontz takes readers on an unforgettable journey to the heart of darkness and to the pinnacle of grace, with a brilliantly observed chronicle of good and evil in our time, of illusion and everlasting truth.
