Knitting is one of the best ways to de-stress! In Summer on Blossom Street, the fifth book of Debbie Macomber's Blossom Street series, three individuals take a knitting class to help them quit smoking, deal with job stress, and end a bad relationship. Whether you're looking for a pleasant distraction or just want to have fun, this

companion pattern book has seven delightful knitting projects to get you going. And now that a crocheter has joined the group, we include three exciting crochet designs. 10 irresistible projects: Cable Sampler Scarf, Baby Blanket, Washcloth to Crochet, Memories of Paris Scarf, Poncho, Cody's Pullover, Reese's Vest, Lap Robe to Crochet, Socks for Hutch, and Afghan to Crochet.
