PEWTER WITH GRAPHITE INSETThis pewter Flora grain is a delightful response to "What's new". Inspired by the hand-tooled leathers of 19th Century Venice, the detailed filigree pattern is defined and enhanced with enormous plate-embossing moulds. This creates a grain that is tactile, not just visual. The cool graphite inset with tight grain and satin lustre is the perfect colour complement. Inside the pages of the EVERYDAY LIFE

BIBLE, readers will experience the opportunity to study Scripture as if Joyce were sitting next to them, chapter by chapter and precept by precept. Not only will they learn more, they will be able to share this new understanding with family and friends in a practical and down-to-earth manner. This Specialty Bible contains five standing features and will be published in bonded leather. For years audiences have watched Joyce Meyer deliver powerful messages while holding the source of her inspiration, the Bible. This classic study Bible is also available in BOLD PINK WITH ESPRESSO INSET. Both editions feature a ribbon marker and gold gilt-edge pages.
