Nationally known personal finance expert Terry Savage helps you answer the most important retirement questions. During a time when looking to the future is more important than ever, author Terry Savage offers street smart advice for the many soon-to-be retirees wondering how much longer they will have to work to make up for the losses in their retirement accounts. "The New Savage Number" provides the strategic guidance and hands-on techniques necessary to plan a successful, satisfying retirement. Throughout the book, Savage helps you figure out how much money you need to retire-your savage number-and how to invest to reach that goal. Then, as retirement looms, she guides you through the process of planning withdrawals so the money lasts your entire lifetime. In between, Savage offers practical advice on everything from getting personal finances organized to insuring retirement plans against the disastrous need for long-term care. An informative, engaging book that future retirees of every age can utilize, "The New Savage Number" Contains updated chapters reflect the current economy including changes to the mortgage market and stock market performance. Takes issues such as social security, long term insurance, and new investment risks into consideration. Offers guidance on continuing to earn income in retirement. Written with every retirement bound individual in mind, "The New Savage Number, Second Edition" provides you with the tools needed to rescue your retirement.
