Becoming a Nurse Educator: Dialogue for an Engaging Career is a practical guide developed to help new and emerging nurse educators in their career development. Written in a straight-forward manner, it presents teaching experiences mixed with theoretical discussion and specific teaching strategies to assist new nursing educators in finding meaning in their career. This essential guide contains popular and professional literature, nurse educator experiences, stories, quotes, and discussion questions. Becoming a Nurse Educator: Dialogue for an Engaging Career is a must-have resource for any nursing educator and nursing education students.
