This is a superbly illustrated overview of the works of acclaimed multi-disciplinary artist Gigi Rigamonti. This superbly illustrated volume showcases the unique style and visual flair of acclaimed artist Gigi Rigamonti and analyzes his creative process, with a particular focus on the cross-references and multi-disciplinary nature that characterize it. "Gigi Rigamonti: Cross Stories" not only offers readers an unrivaled look at Rigamonti's latest works, but also provides a behind-the-scenes look at the inner workings of Artandgallery - Rigamonti's own gallery and exhibition space in Milan - where Cross Stories will debut from April to July 2009.
