So You Want to Hunt Deer is a book designed with the beginning hunter in mind. The book covers all aspects as if you've never hunted before including what items you may need to buy, where to find rules and regulations, and how to use a map and compass. The book is beneficial to hunters of all ages, and can even teach those with current hunting skills a better way to scout, track, hunt, field dress, butcher, and cook a deer. There is even a section on taxidermist selection.
