This breathtaking new series from Crabtree brings to life the people and events of the Renaissance! Young readers will be enthralled as they follow Europe's cultural transformation through the Middle Ages to the Modern Age. Delightful drawings

illustrate the artistic, scientific, and societal changes and developments of this amazing era. "Cities and Statecraft in the Renaissance" looks at the rise of trade, commerce, guilds, and the merchant and ruling classes in northern Europe. This influenced the growth of towns, cities, states, and regions, who competed with one another for power, artistic talent, and creativity. At the same time, people rich and poor were struggling to establish new forms of society and government.
