Eros Vacations presents castles, Shakespeare...and sizzlin' sex "Live it up--literary style Guests are whisked away to Great Britain for two weeks of luxury adventure, history and plenty of naughty possibilities Whether it's an illicit tower tryst, a romantic boat ride or even some hot dungeon action, your pleasure is our concern...."But both executive assistant Roxie Stanley and undercover security agent Dougal Lockhart have their own motives for this vacation. Except that sex--mind-meltingly "great" sex--is the only thing either can think about. It's forbidden. It's tantalizingly irresistible. And they're losing control...over and over and over
