This book reveals how anybody can learn to sing and how any voice teacher or choral

conductor can get anybody to sing, and keep making breakthroughs in singing. With multi-sensory techniques to match and build learning strengths, this book is for any singer from the rank beginner - including those thought to lack the ability - to the experienced and mature singer. Whether for self-guided, teacher-guided, or conductor-guided learning situations, this unique collection of exercises wakes up the senses for amazing results.
