1942: In the tropical splendour of the South China sea, as the Second World War spreads across the far east, a young woman finds herself in paradise ...and then in hell. Nurse Carrie Sutton is caught up in the Japanese invasion of Singapore, suffering horrors beyond her wildest nightmares - and survives! Now, she attempts to start her life anew, buoyed up by a growing friendship with a wounded pilot, only for fate to deliver up the last thing she ever expected. Carrie, at last, has a chance for revenge ...but should she take it? In the midst of a world torn apart by war, you can fight and you can win, but you still might not get the things you truly want. More incredible stories from Garth Ennis ("The Boys", "Preacher") as his "Battlefields" series continues exclusively from Dynamite Entertainment! For this second mini-series - Dear Billy - Garth is joined by artist Peter Snejbjerg and cover artist John Cassaday for a haunting tale of wartime in 1942...
