Journal of Medical Speech-Language Pathology: Voices: Collected Essays on Language, Laughter, and Life is the ideal, one-of-a-kind inspirational book on the importance of communication to the human spirit. This book is a collection of sixty-one of the best essays that Dr. LaPointe has written and published in the Journal of Medical Speech-Language Pathology over a period of years. Dr. LaPointe is a clinician, researcher and teacher in the field of communication disorders. Some of these essays explore the vagaries and peculiarities of language as well as the values that allow us to enjoy reason, good science and fruitful daily living. This collection brings all of Dr. LaPointe's wisdom, insight and humor into one book and will provide inspiration to those who study or work in the field of speech-language pathology, as well as to anyone interested in the importance of communication to the human spirit.
