A kitten flies out of the window of a speeding car and bounces across the road. The kitten is badly injured. Can Farm Samuel find her in time? Even if he does, would the little kitten let him help her? This is a true story about some of the animals on the hundred-year-old farm known as Compassionate Pet Sanctuary. Old farmer Samuel and his wife Cheri live there. They are real, too Samuel and Cheri Lopez founded Compassionate Pet Sanctuary as a haven for lost, abandoned, and injured animals. Over the years, they have rescued hundreds of dogs and puppies, cats and kittens, owls, goats, geese, and other animals. Farmer Samuel and his wife Cheri have found permanent and loving homes for many of the animals they've rescued. The other

animals, of course, will always have nurturing place to live right there on the old farm.
