From Mom with Love, fondly written by a loving mother for her children, is perhaps the only cookbook that contains recipes for everyday cooking in typical Indian households in addition to fancy food such as Goan Shrimp Curry and Tandoori Chicken. The book includes sixty-eight clearly marked Vegan recipes, a complete list of spices, legumes, beans, and the pots and pans you need to start cooking, and a pantry list for beginners and another one for more committed and experienced cooks in a format that you can take right to the store with you. The most special and unique feature of this book is the

TLC tips-little shortcuts and secrets that will make your cooking easier, yet delicious. From Mom with Love is often the top seller at Amazon in Indian books and in the top two or three in Asian cooking, and is frequently in the top ten at Amazon in the Entertaining and Special Occasion Cooking Categories.
