Does any of this represent change in foreign policies that we were promised. BRING ALL OUR TROOPS HOME. Campaign reforms. Election reforms. Health care reform. Energy reform. Checks and Balance. Accountability for officials. Ear mark reform. Rule of law. Trade reform. Lobby reform. Foreign Policy reform. Tax reform. Spending reforms. Regulation reform. Everything needs an ACT of Congress to get anything done for the Citizens of the United States. Everything is in a "MESS" because we have not had any real Act of Congress benefiting the American people. Only for lobbies and foreign lobbies that have been lining congress peoples pockets for years. We need term limit reforms, and a quicker way of removing people from office when there is no job preformance. Have we witnessed any real "ACTS OF CONGRESS" in the last twenty years that benefit the USA tax-payer.Haven't they ALL been asleep at the switch? It is time for the VOTERS to reform. Change will only come about by changing the D. C. landscape completely. VOTERS are the ones to do it. 2006 and 2008 Elections have been a good start, how-ever corruption still remains. Remove them, and charge and prosecute the crimes involved.
