Reach back into your childhood and recapture the leadership principles you learned from your favorite toys. What can LEGOS teach you about building your business through connection? How can Slinky Dog demonstrate the value of patience when you're growing your organization? What has every little boy learned from his Little Green Army Men that he can use in business strategy? Whether you are an executive, a manager, or a parent, in "Toy Box Leadership" you will find the toy box a great place for lessons to successfully influence and lead others.
