isbn:9780205779406

Including the most current MLA citation, documentation, and style guidelines, The Brief Penguin Handbook continues to revolutionize the way handbooks present information. The Third Edition of this extraordinary handbook continues to lead the market with complete new chapters on using database and Web sources, a new visual five-step guide to the documentation process, and updated and expanded documentation coverage. Started with ideas and suggestions from real students, this handbook gives you the information you need in the format you want.
