This title contains answers and detailed explanations to AAMC Tests 3 and 4. Please note: these tests are available separately on the AAMC website and are not contained in this book. Currently Test 3 is free online and Test 4 is available for a fee. "The Silver Bullet" has over 600 pages including clear and complete explanations like having a personal tutor. Each explanation includes Pre-study suggestions and Test-taking skills analysis. An entire section is devoted to improve your Verbal Reasoning score with special attention to powerful strategies, proven techniques and properly using the tools available to you in the new MCAT CBT. All science sections fully analysed while highlighting concepts that recur on the test and we provide memory guides, summaries and mnemonics. You can learn MCAT Reasoning from the MDs who teach MCAT teachers. Please note: MCAT is a registered service mark of the Association of American Medical Colleges (AAMC), which is not associated with this product.
