This book has been written to educate real estate owners and sellers how the marketing of their property by the real estate sales community has changed to their detriment and to show them that is a solution to the current problem and this solution is the Internet and how to effectively utilize it to sell their real estate all the while saving big money in doing so.

The book is combined with and refers to a new system for selling real estate online that enables sellers for the first time to not just market their property but to actually track and complete the entire transaction electronically.
