Their journey will take them from the depths of the ocean to the scorching sands of the desert. And then it will get weird. The entire world is on the edge of chaos. The Shadow Ka are evolving. The skies are growing dark with the mysterious taint of the Stompers. Something unspeakable is about to happen to Jimmy's father. A creature made of water will utter a terrible warning. The Black Curtain is ripping once again. And the most terrifying secret of all is about to be revealed at last. The identity of the Stompers. They are no longer coming. They are here.
