The creators of the "Mo's Nose" series, author, Margaret Hyde and illustrator, Amanda Giacomini, have released Mo Smells the Holidays, their highly anticipated third book in the series of collectible books. Mo, based on a real life rescued dog, takes readers of all

ages on a "scentsational" adventure through vibrant holiday scents and hues from the first leaves of fall to the fireworks of New Year's Eve! Mo's journey through the holiday season emphasizes giving rather than receiving as Mo brings Halloween treats to his friends at the animal shelter and lends a paw at a local soup kitchen. Mo and his new-found four- and two-legged friends sniff their way through a kaleidoscope of festive aromas and discover the true spirit of holiday giving. In this full-sized picture book, readers interactively experience seven classic holiday scents including deliciously chewy caramels, regal pine, rich gingerbread, dark chocolate, cotton candy, green apple and freshly baked pumpkin pies through a Hint of Scent feature. Other titles in the 'Mo's Nose' series: Mo Smells Red : 978-0-9816255-0-8 Mo Smells Green : 978-0-9816255-2-2
