The Invasion Begins...

The Old World seethes with ancient rivalries and boils in the cauldron of savage warfare. Enemies and allies alike face off against one another to settle ancient claims, and to live the glory of battle for themselves.

Brought to you by famed designer Eric M. Lang, Warhammer: Invasion The Card Game is a two-player card game of intense warfare, clever kingdom management, and epic questing. Players must carefully allocate their resources as they seek to build their

kingdom, complete quests, and attack the enemy's capital.

Will you play the indestructible grudge-bearing Dwarfs, the shrewd and manoeuvrable Empire, the savage and destructive Orcs, or the entropic and mutating forces of Chaos? Or will you cleverly craft an alliance, playing the combined might of the forces of either Order or Destruction?

Warhammer Invasion LCG Core Set contains:

1 Rulebook

220 Cards representing 4 factions

4 Capital Boards

35 Resource Tokens

60 Damage Tokens

4 Burning Tokens
