It's Princess Polly's birthday, but everyone seems to have forgotten. Or have they? This book presents the story about Princess Polly's special day.

作者介绍:

It's Princess Polly's birthday, but everyone seems to have forgotten...or have they? Children will love to read the charming story about Princess Polly's special day, and to bring it to life using the sturdy drop-down stage, four card characters, magnetic stands and wands. This set comes complete with easy-to-follow instructions and two special pockets in which to store the pieces until the next performance. A perfect book for aspiring actors and actresses!
