《怎样画动物:英文》主要内容简介: Chinese animal painting has a long estab-lished

tradition that is being vigorously carried forward and enhanced by contemporary masters. Specially prepared for Western readers with more than 300 illustrations, this manual introduces the basic concepts of Chinese animal painting. The step-by-step guide for painting a dozen animals provides an easy approach to this great tradition. Different styles and techniques are clarified in this manual to show the immense variety of expression which exists in Chinese animal painting and to prepare the reader for the innovative creation of paintings.

Gong Chunhu (1954), the secretary-general of China Horse Painting Association, has spent decades in raising and painting horses. His work has been featured by the China Radio International in 43 languages.
