著者:Debby Cryer

出版者:Dale Seymour Publications

出版时间:1988-01

装帧:Spiral-bound

isbn:9780201213379

Provides a winning combination of information and activities that help children

develop their minds and bodies in a safe and healthy environment. Incorporate "active" learning into the curriculum with ease using the complete planning guide with a clean format describing activities and appropriate materials, and a resource and skills checklist. Plus icons identifying developmental stages and suggestions for language development and interaction help teachers direct student progress. Use the series to update programs, train new staff, or develop teaching units.
