出版时间:1995-1-1

装帧:

isbn:9780930829346

Now reintroduced with the addition of a Paris Review interview with the Argentine author, *The Narrow Act* was singled out by Borges as "the best, the most intelligent, and most carefully done" of the many books about his work -- "a remarkable piece of readable and meaningful scholarship". The New York Times called it "a model of literary criticism".
