The third and final volume of Lucy Maud Montgomery’ s celebrated Emily trilogy, Emily’ s Quest is a vigorously drawn study of a woman coming to terms with love and her own ambition. In no other novel did Montgomery explore more fully the beauty, complexity, and wonder of love. In every detail, this mature novel, by one of the world’ s best-loved authors, captures the drama and confusion of a young life on the brink.

Along with Emily of New Moon and Emily Climbs , Emily’ s Quest is an honest and poignant portrait of a singular woman.

From the Paperback edition.
