装帧:Paperback

isbn:9780812215724

Demands for "autonomy" or minority rights have given rise to conflicts, often violent, in every region of the world and under every political system. Through an analysis of contemporary international legal norms and an examination of several specific case studies-including Hong Kong, India, the transnational problems of the Kurds and Saamis, Nicaragua, Northern Ireland, Spain, Sri Lanka, and the Sudan-this book identifies a framework in which ethnic, religious, and regional conflicts can be addressed.
